the city of Milwalkor, next means, and so of THE CITY OF MELTING OF THE BONDHOLDERS OF THE CITY OF MILWAUKEE.

A meeting of the "Bondholders" of the "City of Milwankee" was beld at the othee of Meesrs. Mann & Rodman, No. 39 Wall street, on Monday, the Ish met.

The bondholders were fully represented, and the meeting was proported by the Company of the Company.

Air. I raper stated that he had visited the city of Milwankee, and S. praper Nampheness and S. praper Stated that he had visited the city of Milwankee, as the representative of various bondholders and had an interview with the Mayor of the city, who, upon being savised of the object of Mr. D. & visit, mer his inquiries with promptness and frankness, and took immediate steps to convene a representation of the city government, as well as the tax payers of the city, to consider the demand made by the bondholders. Mr. Draper stated that the disposition evinced was highly honorable to the parthes representing the city, and he was convinced that every city to the state of the the construction of the railroads to restrict the state of the theory and unite in the construction; and is cases where the roads had availed them construction; and is cases where the roads had availed them active remining and now ment of the onligations of that class.

ers, however, will rely more mon the good faith of the chizens of that city than upon any coercive measures; which is
the chief element of the credit of governments and municipalnities.

The idea of bearing the disgrace of the present position of
several of our most wealthy and prosperous municipalities
cannot long be endured, and he was consident that a serious
effortwas now being made by many of them to retrieve an
individual and homest position. The courts generally had
been the serious and he had no don't that the
country percently subligations, and he had no don't that the
country percently subligations, and he had no don't that the
country percently subligations, and he had no don't that the
country percently subligations, and he had no don't that the
country percently subligations, and he had no don't that the
country percently subligations, and he had no don't that the
country percently subligations, and he had no don't that the
country percently subligations, and he had no don't that the
country percently subligations and he had no don't that the
country percently subligations and he had no don't that the
country percently subligation of the subligation of the subligation of the
percently subligations of the subligation of the
percently subligation of their existence, their prospectly and
progress—their only sure lope of good order and public
security.

Mr. Lare confirmed the preceding statements, having also
visited Milwaukee with a view to the same object.

Mr. Decouper stated that he had just returned from Milsubligation of the subligation of the condition of the
affine of the subligation of the properties of the
fully the view of he magnitude of its resources, confirming fully the view of he magnitude of its resources, confirming fully the view of he magnitude of its resources, confirming fully the view of he magnitude of the condition of the
